Special Sharing Opportunities  
In August Many of You Shared in *Shoes for Orphan Souls*

Elsewhere in This Newsletter there is info on *Operation Christmas Child*  
It Will Conclude in November  
Just in Time for *Lottie Moon Christmas Offering for International Missions*

This Month We Will Pass Out the Bread Banks on September 11 for  
*World Hunger Relief Offering*

You have been very generous in your giving for this offering through the years. All of the money given to World Hunger through Southern Baptists goes to hunger relief projects in this country and around the world. Our missionaries on the field suggest projects and oversee those projects that are adopted. They donate their time. Administration staff at convention headquarters donate their time to administer the funds. It is a wonderful system. You will never do better than 100% of your offering going for relief.

Unfortunately, this has been a difficult year for this fund. It is at a twenty year low and only has enough money to fund projects for six months. There are two reasons for this shortage. One is a drop in offerings across the convention reflecting the economic situation in our country. The second reason is the demand on the funds this year. The great need at home (think tornadoes, drought, etc.) and around the world (think tsunamis, earthquakes, famines) have been overwhelming. So we hope you will pick of your bank and give generously. We will ask for the banks to be turned back into the church by October 16.
