Contact your state
representatives about
upcoming legislation
Gambling bills are
being debated today,
Tuesday the 13th.
Please write, call or
email your
representatives.

From Donnie and
Margaret Myers:

With sincere thanks
and appreciation for
your cards, calls, food
and most of all for
your prayers. It is
comforting to know
you have people
praying for you during
these times. The
melanoma was deeper
than the doctor
anticipated, but they
think they got it all.
They are going to do a
PET scan to make sure.
Keep us in your
prayers.
